Re: *Ambat, et al. vs. CCSF, et al.*; USDC, Northern Dist., Case No. 07-03622 SI

Dear Honorable Judge Illston:

The hearing on plaintiffs' fee motion is currently set for hearing on August 12, 2011, at 9:00 a.m. I am now scheduled for a hearing in Lake County at the same time, for which I will try to appear via courtcall. Additionally, I will be on vacation with my son during that week.

Due to this scheduling conflict, I have asked opposing counsel, Rafal Ofierski, to stipulate to continue the hearing in this matter to September 2, 2011, at 9:00 a.m. He will not stipulate, but has stated he will not oppose our request to continue this hearing. Attached as Exhibit 1 is a copy of the emails to that effect.

It is respectfully requested that the hearing on plaintiffs' fee motion be continued to September 2, 2011 at 9:00 a.m. Thank you.

Very Truly Yours,

Murray & Associates

/S/

Lawrence D. Murray

Hi Rafal,

The hearing on plaintiffs' fee motion is currently set for 8/12/11 at 9am. Larry is now set for another matter in Lake County at the same time. Can we move the fee motion hearing to 9/2/11 at 9am? If agreeable, I will send a stip/order for your signature. Thank you.
